You don't have to be an EMT or work in the ER, you don't need any special training to save a life.

## HIS STORY

asset to our local community.

Rick started donating blood as an Aphericas donor. He had a felred who suffered from easeer and sold her how he donated platelets. He felt it meant something to her and at meant something to him too. When Rick was the blood dreve chaiperoon in Chaolton, he merceased the number of blood dreves from two or thus a year to sax per year! His never-ensiting quest to apprend the word about the monotonice of donations had had been an moreotrace of donations blood has been an
